

CLASS REPORT

Name of teacher: Azemina Sefidanoska

Location: Boroec - Macedonia

No. of Students: 9

What did the children learn about in the past 3 months?

In Fiq'h, the students learnt about the rules and etiquettes pertaining to Salah and Wudhu. 3 of the students have also started learning Qa'idah and have covered almost 115 pages. 6 of the students have completed the Qa'idah and have now started Nazirah. The students have learnt some duas, such as the duas for sleeping and travelling. All of the students are learning Surahs by heart. So far, they have all learnt 4 Surahs.

Overall progress of students:

The students are very punctual in attending the class. They are progressing very well. The students who are beginners are learning quickly and will be progressing onto learning the Qur'an looking inside very soon. In total, the students are receiving 8 hours of Islamic Education a week in our Islamic Class in Boroec, Macedonia.

Advice given to teacher:

Teacher has been told to carry on with the good work and keep in touch with students and parents to keep motivation levels high.
