The students have learnt the basic rulings in Fiq'h such as Wudhu, Ghusl and Tayammum. They have learnt how to give the Adhaan for Salah. All of them have finished learning the Qa'idah and have moved on to praying the Qur'an looking inside. They have covered 30 pages. All of them have started to memorise Surahs from the Qur'an. The students have also learnt the daily Duas which are said in daily life and also those which are prayed in Salah.

Overall progress of students:

The students are doing well. They are learning and have a desire to learn. They have completed the Qa'idah together which means they are competing in who can read the most Qur'an looking inside.
